1. Overview

This guide is for Veterans who use VA Video Connect on a computer or device’s web browser (e.g., Google Chrome [Chrome], Microsoft Edge, and Safari). VA Video Connect has an easily accessible, user-friendly design, and allows Veterans and providers to seamlessly connect in a secure environment.

Note: All features are not available in some browsers.

1.1. Optional: Conduct a Test Call

To conduct a test call, visit the VA Video Connect test site from your computer or mobile device.

2. Getting Started

2.1. Accessing Your Appointment

Access the Virtual Medical Room through the Telehealth Scheduling email or calendar reminder. You will receive an email from donotreply@mobilehealth.va.gov or VHATMPScheduling@va.gov

Note: The VA Online Scheduling app is available for all sites to view video appointments and join VA Video Connect appointments. Check with your VA health facility for assistance.

Select Click HERE to join the VA Video Connect appointment in your Telehealth Scheduling email message to connect to the Virtual Medical Room.
2.2. Enter Your Location for this Appointment

Once you click on the Click Here to Join the VA Video Connect appointment link, a Welcome screen displays requesting your location for the video appointment.

The location address allows your provider to check if you have 911 service available at your location and contact local 911 services should an emergency arise during the appointment.
Figure 2. Enter Your Location for this Appointment

1. Enter your name as you want it to appear in the **Your Name** field.
2. Enter your location information.
   **Note:** Enter “Street Number” (e.g. 123), “Street Name” (e.g. 57th Street), additional detail (Apt 1B or Bldg. 202), in separate boxes.
3. Click **Close** and proceed to next step of **Making Camera and Microphone Selections**.
2.2.1. Making Camera and Microphone Selections

Select your microphone and camera using the drop-down menus based on the web-browser in use for your VA Video Connect appointment. There is no need to adjust these settings since your device defaults to connecting with enabled audio and video.

2.2.1.1. Google Chrome in VVC Web 1.5

If you are prompted to allow a camera and/or microphone, click Allow.

**Figure 3. Allowing Camera/Microphone**

2.2.1.2. Google Chrome in VVC Web 2.0

If you are prompted to allow a camera and/or microphone, click Allow. Upon first time accessing VVC, users may be required to allow camera and microphone access to Chrome browser.

Users will be directed to VA Video Connect Web 2.0 when using Chrome (preferred browser), or Edge, Safari, Firefox, Opera, or Brave. Users accessing VA Video Connect with Internet Explorer will be directed to VA Video Connect Web 1.5.
Figure 4. Allowing Microphone/Camera in Chrome

Figure 5. Accepting Camera and Microphone Access

2.2.1.3. **Internet Explorer**

**VA Video Connect** is no longer supported by Internet Explorer browser. Users accessing **VA Video Connect** with Internet Explorer will receive an alert instructing them to download Google Chrome.

**Internet Explorer Redirect**
Click **START** to join your **Virtual Medical Room**. After joining, you may again be prompted to allow care.va.gov to access your camera and microphone. Click **Allow** if necessary.
Figure 7. Camera and Microphone Settings

1. Wait for your provider to join. Until your provider joins, a message displays at the top of the screen: Your provider will join you shortly.
2. After the provider joins, the message is replaced by a live video view. The Participants list on the left of the screen displays the names of all participants.

3. Video Connect Features

VA Video Connect uses the following features:

- Chat with participants
- View screen share
- Share screens and files.

3.1. Navigating the Icon Menu Bar

VA Video Connect options are accessed by a menu bar located at the bottom of the
screen. When not in use, the menu bar may disappear. Move your cursor over the video to restore the menu bar.

</tr>
</tbody>
</table>

### 3.1.1. Show/Hide Attendee and Chat Windows

Click **Show/Hide** to view or hide the attendee and chat windows.
3.2. Chat with Participants

You may use the chat room window to send messages to the other participant(s) in the session by typing your message in the chat box, as shown below. If you do not see the chat box, click the Chat box tab at the top of the chat box, and it expands the chat area.
3.3. View Screen Share

Your provider may choose to share educational or other materials with you during your visit. The screen share displays in a box at the top left corner of the video frame.
Click the presentation window to enlarge the shared information. The live stream of your provider is now in the top left corner. Click on the video of your provider to switch back to the large view of your provider.

3.4. Share Screens and Files

Users can share their screens and files. The **Screen Share** icon lets users share their stored content or files from the device they are using without sharing the source of the information (for example, a PowerPoint presentation) that is shown on-screen. The **File Share** icon provides the ability for users to upload and share files with participants.
3.5. Adjust Camera and Microphone Settings

Click **Settings** to adjust microphone and camera options.
4. Ending Your Session

4.1. Ending Your Session

1. Click Disconnect.

   Figure 18. Hang Up/Disconnect Icon

   ![Hang Up/Disconnect Icon]

2. Click Disconnect to confirm your selection to disconnect from the meeting.
3. You will receive a confirmation that you have been disconnected. You will be prompted to close your browser tab.

5. **Support**

5.1. **Making a Test Call**

To test if your personally-owned device is compatible with VA Video Connect, visit the VA Video Connect test site. More information is available on our FAQs page.

5.2. **Veteran Support**

If you need help opening VA Video Connect in your web browser, connecting with your provider for an appointment, experience difficulties, or need assistance for any reason, call the Office of Connected Care Help Desk. The Office of Connected Care Help Desk is reached at: (866) 651-3180 or 703-234-4483, 24 hours a day and 7 days a week.
For additional information, refer to the VA Video Connect App Page, Training Materials tab.

For questions about and/or technical assistance regarding VA Video Connect, please contact the Office of Connected Care Help Desk (866) 651-3180 or 703-234-4483. These resources are available 24 hours a day, 7 days a week.
